SEAL HOLLOW ROAD PETITION PROGRESS

At the AGM it was agreed that our Association would run a petition asking KCC Highways to introduce some form of traffic calming in Seal Hollow Road. To cross into Knole Park through the Hole in the Wall is extremely hazardous. The road is narrow, the pavement even narrower, and visibility poor. We have collected about 725 signatures so far. If you have not signed our petition and would like to do so, please call Jim Purves and he will pop round with the petition for you to sign. We aim to present it to the Joint Transportation Board on September 3rd.

INTRODUCING OUR POLICE COMMUNITY SUPPORT OFFICER

My name is Police Community Support Officer Ade ADELAJA 56541, your local officer for the area. I have been in this role for the past 8 years covering areas over North Kent and just recently moved to Sevenoaks Eastern ward in January 2015. My role involves dealing with issues like minor antisocial behaviour like youths gathering, under age drinking, vehicle obstruction, speeding, minor neighbour disputes and crime prevention events where we carry out property marking and safer plates for vehicles, preventing theft of vehicle registration plates.

I can be contacted by calling 101 which will be forwarded to me or by email

56541@kent.pnn.police.uk, but if it is an emergency or for life threatening situation then dial 999.
